Should I add liability insurance?

- Independent students, International students, students not covered under a parent’s Homeowners Policy or students required by a property manager to show separate insurance all should consider Liability.
- For less than $5 per month, you can be protected against a potentially devastating financial loss in the thousands of dollars. Potential claims can come from the property owner for damage to their property, from other tenants or their families, from guests visiting you or even from the general public.

Liability Coverage may be added at the time of personal property purchase, or added at a later date if you do not yet know your physical residence while attending school.

What is the process of filing a claim?
Claims can be filed online 24/7. Complete the claim form and a number will be assigned to you. You will receive further instructions by email from the claim department.

What is the difference between the Property and Liability Insurance Policies?
The Student Personal Property Plus policy was designed to protect your property and property entrusted to your care. The Liability policy is to protect you from claims made against you for bodily injury or property damage to other people or their property for which you are found liable. While the property policy covers your property everywhere in the world, the Liability policy applies to claims made against you while a resident at the location shown on your policy as the residence location.
