Welcome to Georgia Tech Housing!
Let us help you put the pieces together!

**Roommate(s)**
First-Year students who completed their Housing application by the deadline will be able to search for a roommate June 3-16. This will be done in MY HOUSING, and there are three search options:
1. Add Known Roommates
2. Profile
3. Browse Matching
Roommate requests can be updated until June 16, 2019. When you are accepted as a requested roommate, or your request for a roommate has been accepted, you will be able to assign one another to a room during Self-Assign.

**Roommate Assignment**
First-Year students who completed their Housing application by the deadline will be eligible to search for and assign themselves and any Accepted Roommates to their own room for the 2019-2020 Academic Year.

Watch for an email notification of the day and time-slot you can go to MY HOUSING and assign your room. You may want to familiarize yourself with the First-Year residence halls beforehand by visiting housing.gatech.edu/housing-options to read about and tour each building.

*If you applied after the deadline an assignment will be made for you.

**Items to Bring**
You will find a list of suggested items to bring and items not allowed in Georgia Tech housing at housing.gatech.edu > Move-In > Items to Bring. Contact your roommate to coordinate on large items.

**Move-in**
All First-Year students can move in beginning:
Thursday, August 15 - Friday, August 16.
Information about Move-In will be on our website before August at housing.gatech.edu. It will include arrival times, check-in locations, and much more.
Bed lofting may only be done by authorized Housing staff per an online Maintenance request (maintenance.housing.gatech.edu) after you move into your room.

**Late Arrival**
If you plan to arrive later than 5:00 p.m. on Sunday, August 18, email information@housing.gatech.edu with your name, gtid#, and the latest date you will arrive on campus. You may also call us at 404.894.2470 M-F 8 a.m. - 5 p.m.
If you do not check in or notify us before August 19 at noon, you will be declared a “No Show”, and your room will be reassigned.

**Room Change**
You can change your room yourself! A room swap is when two students agree to swap rooms and perform the swap online themselves. Simply log-in to MY HOUSING and use the Room Swap tab on the gold bar. Advertise our room and search for another advertised room you might like to change into. Room Swap is available until you pick up your key during Move-in.

Last Chance Room Change Days will be:
Wednesday, August 21 - Friday, August 23.

**Meal Plan**
All First-Year Experience students are required to have a meal plan. If you need assistance with special dietary needs or information, please contact Dining Services at 404.894.2383 or visit mealplan.gatech.edu.

**Move-out**
You need to move out of your room by Friday, May 1, 2020. If you want to switch rooms for the Spring 2020 semester, you will need to do that on Sunday, December 15, 2019.

**Email Communications**
Until you are registered for classes, the Department of Housing will communicate with you through the email address listed on your Institute admission application.
Once you are assigned an official Georgia Tech email account, it will become our official point of contact with you.

**Housing Cancellation**
If your plans change and you no longer intend to live on Tech’s campus for 2019-2020, please cancel your application in MY HOUSING.
If you notify Admissions or any other Georgia Tech department that you are no longer attending Georgia Tech, you still need to cancel with the Department of Housing.

All this and much more can be found at housing.gatech.edu or contact us at 404-894.2470 information@housing.gatech.edu
